

Cyril Ritchie

Vice-President of UIA

Union of International Associations

President of CONGO

*Conference of Non-Governmental Organizations in Consultative
Relationship with the United Nations*

President of FIIG

*Federation of Semi-Official and Private International Institutions
established in Geneva*

What do international organizations contribute to society?

What stops them from contributing?

What will they contribute in the future?

1. What are my organization's assets and strengths?

2. What stops my organization from achieving more?

3. Where will my organization be in 5 or in 20 years?
