CUSTOMIZED DATA EXTRACTIONS – TERMS OF USE

UIA can provide a contracting party with data extracted from the UIA databases, on condition that the contracting party uses the data in accordance with UIA's mandate as described in UIA's privacy policy¹.

The contracting party may use this extracted data once and once only. The contracting party may not re-package, compile, re-distribute or re-use any or all of this data.

In using and storing this data the contracting party is responsible for its own compliance with privacy regulations.
