**Union of International Associations (UIA) opens registration for its Associations Round Table Brussels 2022**

**UIA's 15<sup>th</sup> Associations Round Table Brussels will take place at the Marriott Grand Place in Brussels, Belgium on 20 May 2022**

The Associations Round Tables are organized annually by the Union of International Associations (UIA). The Round Tables, the core of UIA's education project, provide an opportunity to learn through networking and through practice, to meet other international associations and share experience and knowledge.

In its 15<sup>th</sup> year of organizing Round Tables for international associations, the UIA is expecting to welcome 200 delegates from international associations at this annual event.

Networking and educational content will combine to provide an engaging and rewarding experience for all delegates. Participants will meet speakers who are association experts and who will describe challenges they face in their association life and how they are meeting these challenges.

Delegates and speakers will split into break-out rooms for sessions, where each speaker will present a workshop on their topic. All delegates will be able to conduct discussions with the speaker and their peers.
