

### Figure 0.3.5. Current overview Links from intergovernmental organizations, by paragraph: 2000

This table indicates the total number of instances that intergovernmental organizations, classified as belonging to a given cluster of types in the Yearbook, cite other organizations (whether intergovernmental or nongovernmental), of that or of other clusters of type in the Yearbook. The types allocated to each cluster are as follows:

- Cluster I (International organizations): Types A B C D F
- Cluster II (Dependent organizations): Types E K R
- Cluster III (Organizational substitutes): Types S T
- Cluster IV (National organizations): Types G N
- Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For information on organization types, see the Appendix "Types of organization". For further detail on citations, see Figures in Section 3.

The citations are counted by the paragraph in which they appear. The column headings used in this table are abbreviations of the paragraph headings used in the organizations' description entries. The full paragraph headings are as follows:

- FOU = Founded
- AIM = Aims
- STR = Structure
- STA = Staff
- FIN = Finance
- ACT = Activities
- PUB = Publications
- MEM = Members
- CON = Consultative Status
- IGO = IGO Relations
- NGO = NGO Relations

For further information see the Appendix "Contents of organization descriptions" (Volume 1).

For example:

- In the "Founded" paragraphs of Cluster I organizations there are 1,717 citations to other organizations (of any Cluster).
- In the "Aims" paragraphs of Cluster II organizations there is 1 citation to other organizations (of any Cluster).
- There is a total of 7,711 citations in the "Founded" paragraphs.
- The 922 organizations in Cluster I cite other organizations (of any Cluster) a total of 22,836 times. This is an average of 24.8 citations per organization.

Note that the total number of citations given in this table may differ from the totals given in other tables due to intervening editorial work.
