
Figure 0.3.8. Current overview**Links between international organizations by frequency and by IGO / NGO: 2000**

This table ranks organizations (both intergovernmental or nongovernmental) according to the number of other organizations (whether intergovernmental or nongovernmental) they cite. Organizations have been divided into categories ranging from those which cite over 100 other organizations to those which cite no other organization.

For information on organization types, see the Appendix 10. For further detail on citations, see Figures in Section 3.

For example:

- Of the 6,744 intergovernmental organizations, 53 cite over 100 other organizations.
- Of the 47,097 nongovernmental organizations, 1,630 cite between 10 and 19 other organizations.
- In total, there are 53,841 organizations, of which 86 cite over 100 other organizations, while 23,844 cite no other organization.

Note that the total number of citations given in this table may differ from the totals given in other tables due to intervening editorial work.
