Countries hosting intergovernmental organization secretariats: 2000**

This table indicates the number of intergovernmental organizations with secretariats in a given country. (See "Notes to the User" at the front of this volume for further information on country names.)

For each country, the first line indicates principal secretariats (headquarters, main office); the second line indicates secondary secretariats (regional, specialized).

The countries are grouped by continental region. The organizations are totalled by type, indicated by the letter code at the head of each column. (See the appendix "Types of organization" for more information.) In addition, totals are given at the end of each row for certain groupings of types.
