Countries hosting the greatest number of international organization headquarters: 2000**

This table lists those countries in which are located 10 or more principal secretariats (headquarters, main office) of international organizations of Types A to D in this edition of the Yearbook series. Totals are given for certain groupings of types. Only principal secretariats are included in this table. See the appendix "Types of organization" for more information. For a detailed analysis per country and per organization type, see Figure 2.1.5.
