

**Figure 2.2.3. (b) Geographic distribution
Growth of participation in international NGOs: 1990 and 2000**

This table gives the population growth, organisation membership growth (NGOs of types A to F) and membership density growth for a given country for the years 1990 and 2000. The table is restricted to countries with growth of 50% or over.

Country	Population			Number organisation memberships			Membership density (per million of population)		
	1990 (thousands)	2000 (thousands)	Growth 1990-2000 %	1990	2000	Growth 1990-2000 %	1990	2000	Growth 1990-2000 %
