

Figure 4.1.2. (c) Subjects
Number of international nongovernmental organizations by subject groups: 2000

This table indicates number of international nongovernmental organizations (NGOs) allocated to each of the detailed subject categories of the matrix (see Figure 4.1.1.). Totals are given for each level of the matrix. Where more than one subject is assigned to a matrix cell, sub-totals for the cell are also given.

The organizations are listed by type, indicated by the letter code at the head of each column. (See the appendix "Types of organization" for more information.) In addition, totals are given at the end of each row for certain groupings of types.
