Figure 7.1.1. (b) Organizations: language use
Languages used by intergovernmental organizations: 2000

The description of an organization printed in Volume 1 of this Yearbook series may include details of the languages which that organization uses, whether officially or informally.

This table gives the number of intergovernmental organizations whose descriptions specify the use of a given language. Only those languages mentioned in the description of at least 1 intergovernmental organization are included here. If no language is specified in the organization's description, then that organization is not included in this table.

The organizations are totalled by type, indicated by the letter code at the head of each column. (See the appendix "Types of organization" for more information.)
