Links to intergovernmental organizations (IGOs) by frequency

This table ranks organizations, whether intergovernmental (IGO) or non-governmental (NGO), according to the number of IGOs they cite. Organizations have been divided into categories ranging from those that cite over 100 IGOs to those that cite no IGO.

For example:

- There is a total of 65,429 citations to IGOs.

- In total, there are 55,282 organizations, of which 31 cite over 100 IGOs while 39,001 cite no IGO.

For information on organization types, see the Appendix 10 "Types of organization".

Note that the total number of citations given in this table may differ from the totals given in other tables due to intervening editorial work.

The corresponding table for 2000 is reprinted from last year's *Yearbook* (Figure 0.3.9, Edition 38, 2001-2002), correcting errors of calculation.
