Figure 0.3.7. Current overview

Links between international organizations by frequency: 2001

This table ranks international organizations, whether intergovernmental (IGO) or non-governmental (NGO), according to the number of other international organizations (whether IGO or NGO) they cite.

Organizations are divided into categories ranging from those that cite over 100 other organizations to those that cite no other organization. They are further divided into clusters of type. The types allocated to each clusters are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For example:

- Of the 10,901 organizations in Cluster I, 64 cite over 100 other organizations.
- Of the 6,057 organizations in Cluster II, 500 cite between 10 and 19 other organizations.
- In total, there are 55,282 organizations, of which 90 (0.2%) cite over 100 other organizations, while 24,077 (43.6%) cite no other organization.

For information on organization types, see the Appendix 10 "Types of organization". For further detail on citations, see Figure 3.1.3.

Note that the total number of citations given in this table may differ from the totals given in other tables due to intervening editorial work.
