

**Figure 2.1.7. Geographic distribution
Countries hosting international organization secretariats: 2001**

This table indicates the number of international organizations with secretariats in a given country. (See "Notes to the User" at the front of this volume for further information on country names.)

This table counts only principal secretariats (headquarters, main office). For each country, the first line indicates secretariats of intergovernmental organizations (IGO); the second line indicates secretariats of non-governmental organizations (NGO).

The organizations are totalled by type, indicated by the letter code at the head of each column. (See appendix 10 "Types of organization" for more information.) In addition, totals are given at the end of each row for certain groupings of types.
