

## Figure 3.2.2. (a) Links between organizations

### Ten-year changes in links, by paragraph: 1991 and 2001

The table indicates, for the years 1991 and 2001, the total number of instances that international governmental (IGO) or nongovernmental (NGO) organizations (of types A-F) cite other organizations (of any type) from a given paragraph of their descriptive entries in Volume 1 of the *Yearbook of International Organizations*. The percentage change over the decade is also given. Figure 3.2.2 (b) shows the change between 2000 and 2001. For example, in 1991, Type B NGOs made 137 citations to other organizations in their "Founded" paragraphs and 816 in their "IGO Relations" paragraphs. There were 427 such organizations (column "Number of organizations") and in their entire descriptive entry (all paragraphs) they averaged 15.6 citations per organization (column "Average citations per organization").

Description of types is given in Appendix 10. Links from the complete range of types for 2001 are presented in Figure 3.1.2.

Note that the total number of citations given in this table may differ from the totals given in other tables due to intervening editorial work.
