

Figure 7.1.3. (c) Organizations: language use
Number of languages used by non-governmental organizations: 2001

The description of an organization printed in Volume 1 of this Yearbook series may include details of the languages which that organization uses, whether officially or informally.

This table gives the number of languages mentioned in the descriptions of non-governmental organizations. If no language is specified in the organization's description, then that organization is not included in this table.

The organizations are totalled by type, indicated by the letter code at the head of each column. (See appendix 10 "Types of organization" for more information.)
