
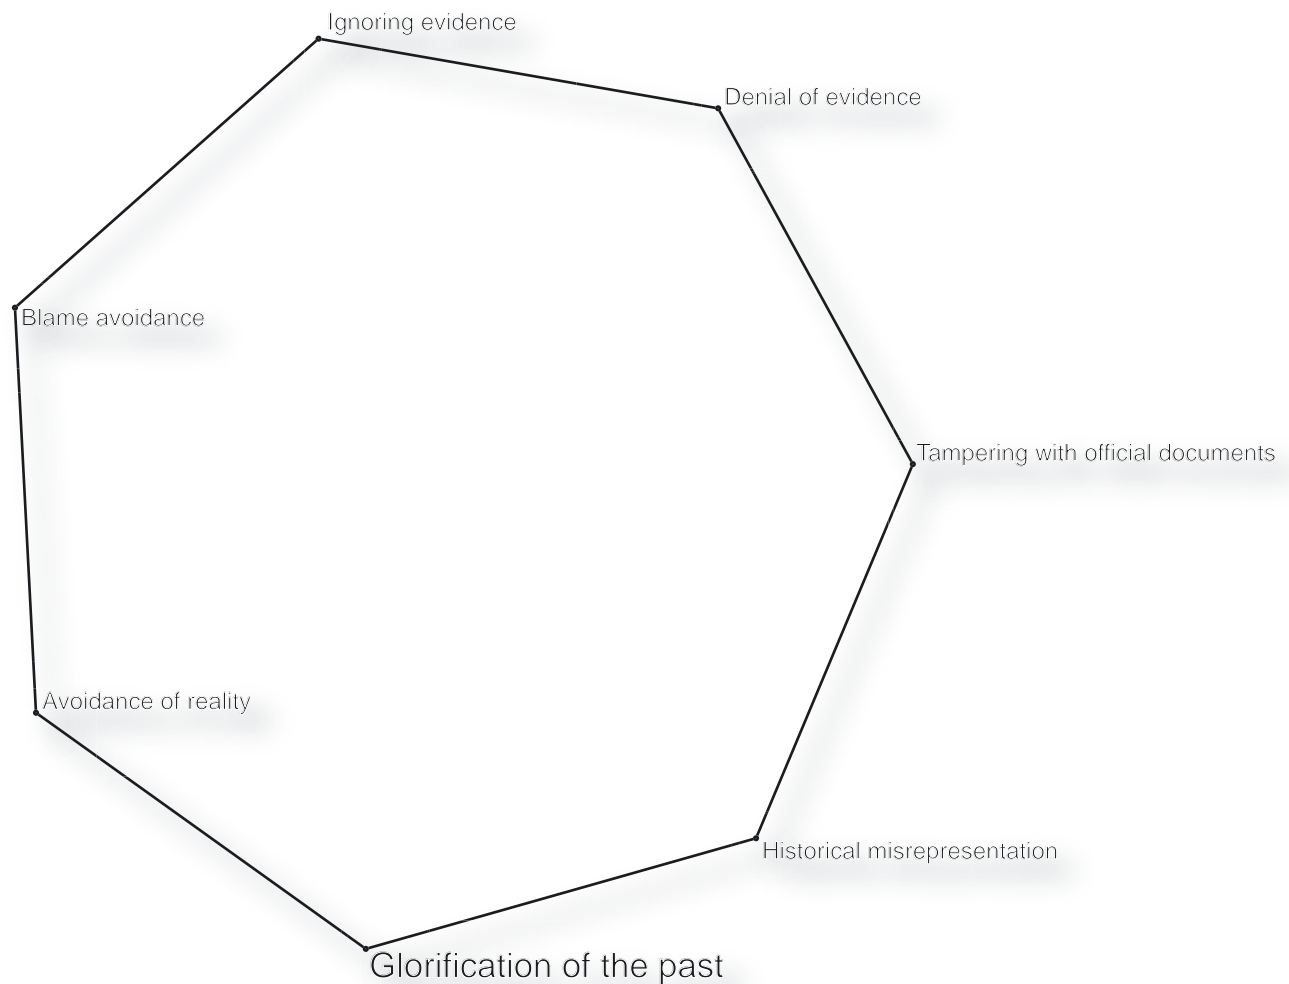

Figure 10.2.25.
Glorification of the past

Database: World Problems and Issues

Link type: aggravates problems (loops only)

Network nodes: 7

UIA database: <http://db.uia.org/scripts/sweb.dll/uiaf?DD=PR&CL=2&DR=J4574>

The myths, rites and symbols of past glories generate a romantic understanding of the past of a social group which prevents living in the present situation and support a fear of the future. This is an example of a single 7-node loop, identified in the aggravating relationships in the database of World Problems, that includes the problem of glorification of the past.
