

## Figure 2.1.7. (c) Geographic distribution Countries hosting the greatest number of non-governmental organization headquarters: 2002

This table lists those countries in which are located at least 1 principal secretariat (headquarters, main office) of a non-governmental organization of Types A to D in this edition of the Yearbook series. Only principal secretariats of non-governmental organizations are included in this table.

Totals are given by cluster of types. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For totals of only intergovernmental organizations, see Figure 2.1.7. (b). For totals of both intergovernmental and non-governmental organizations, see Figure 2.1.7. (a). For a detailed analysis per country and per organization type, see Figure 2.1.6.

See the Appendix "Types of organization" for more information.
