

Figure 5.1.1. Organizations: population
Foundation dates of international organizations, by type: 2002

The total number of organizations founded in a specified year is given here in terms of organization type (see the Appendix "Types of organization"). For each year, intergovernmental organization totals are given on the first line ("IGO"), and non-governmental organization totals are given on the second line ("NGO").

If an organization's foundation date is not known to the editors, that organization is not included in this table. The total number of organizations included is given on the last line.

Note that, especially for recent years, figures are provisional, according to the information available at the time of printing.
