

Figure 8.2.1. Organizations: publications
Number of publications of international organizations by type: 1996 - 2001

These figures depict graphically, for the period 1996 – 2001, the number of publications of international organizations by type of organization (see Appendix "Types of organization" for more information).

The information in this table is extracted from the organization descriptions included in Volume 1 of this Yearbook. If an organization's description includes no mention of publications, that organization is not counted in this table. This figure is reprinted from last year (Ed 39, 2002-2003).
