

**Figure 0.2.5. (a) Current overview****Location of international organization secretariats: 2003**

These tables provide an overview of international organizations, of different organization types, with secretariats (principal and/or secondary) in a given continent. The organization types are grouped within clusters\* (as introduced in Figure 0.1). The summary is by type and continent, also distinguishing between intergovernmental organizations (IGOs) and nongovernmental organizations (NGOs).

For example, there are 142 IGOs classified as conventional international bodies (types A-D) that have secretariats in Africa; there are 413 organizations in Cluster I with secretariats in the Australasia / Oceania region.

Refer to Figure 0.2.5. (b) for the same data broken down by IGO and NGO, and Figures 0.2.6. and 0.2.7. for breakdowns of primary and secondary secretariats for IGOs and NGOs, respectively. See Figures 2.1.6. to 2.1.11. for more detail on secretariat locations.

For information on organization types in the *Yearbook of International Organizations*, see Appendix "Types of organization".
