

Figure 2.1.1. Geographic distribution Membership of international organizations, by country: 2003

This table indicates the number of organizations of which a country or territory is a member, whether directly or through the presence of members in that country. (See "Notes to the User" at the front of this volume for further information on country names.) No distinction is made between different categories of membership (e.g. full, associate). A country is only counted once for each organization.

For each country or territory, the first line indicates the number of intergovernmental organizations with members in that country or territory; the second line indicates the number of non-governmental organizations with members in that country or territory; the third line indicates the total number of organizations, both intergovernmental and non-governmental with members in that country or territory.

The organizations are totalled by type, indicated by the letter code at the head of each column. In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

See the Appendix "Types of organization" for more information.
