

Figure 2.1.1. Geographic distribution Membership of international organizations, by country: 2002 (corrections)

Because the figure 2.1.1. published in the 40th edition of this volume was found to contain errors in countries with a total (column A-U) of more than 8,300 members, the corrected data for the countries concerned are published below.

Note that *only the countries with corrected data are included here*, along with the corrected totals for the relevant continents and the corrected grand totals.

For further information, see the notes introducing Figure 2.1.1. for 2003.
