

Figure 2.1.7. Geographic distribution Countries hosting international organization secretariats: 2002 (corrections)

Because the Figure 2.1.6. published in the 40th edition of this volume was found to contain errors in the data for certain countries, the corrected data for the countries concerned are published below.

Note that *only the six countries with significantly corrected data are included here*. Some countries required only a minimal correction (1 or 2 more or less in any given type); they are not included here.

For every continental grouping, the corrected totals are included here, as well as the corrected grand totals.

For further information, see the notes introducing Figure 2.1.7. for 2003.
