

**Figure 0.2.4. Current overview****Participation in international nongovernmental organizations (NGOs) by continent: 2004**

These tables provide an overview of participation, through membership, of different continents in nongovernmental organizations (NGOs) of different organization types. The types are grouped within clusters\* (as introduced in Figure 0.1). The summary is by type and continent, with percentages. For example, there are 22,998 African members of NGOs classified as conventional international bodies (irrespective of where the NGO is headquartered), being 62.70% of the African members of NGOs in Cluster I, 12.73% of the African members of this type of NGO, 5.43% of the African members of all NGOs and 4.41% of the African members all organizations (whether IGO or NGO). Globally, there are 83094 members of NGOs classified as unconventional international bodies.

Figure 0.2.3. provides similar data for IGOs. Figures 0.2.1. and 0.2.2. are condensed versions of these data. Figure 2.1.1. has more detail on participation. For information on organization types in the *Yearbook of International Organizations*, see Appendix "Types of organization".
