

Figure 2.1.6. Geographic distribution
Membership of international organizations, by region of activity: 2005

This table lists, for the different continents, regions and other groupings, the total number of organizations listed in this Yearbook series which have members in that grouping.

For each grouping, the first line of totals indicates the number of intergovernmental organizations with members in that region or group; the second line indicates the number of non-governmental organizations with members in that region or group; the third line indicates the total number of organizations, both intergovernmental or non-governmental with members in that region or group.

The organizations are totalled by type, indicated by the letter code at the head of each column. In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

See the Appendix "Types of organization" for more information.

For a detailed analysis per country and per organization type, see Figure 2.1.1.
