

**Figure 2.2.5. (a) Geographic distribution
Countries hosting international organization principal secretariats: 1988-2005**

This table gives an overview of the 18 years from 1988 to 2005, per continent, of countries in which are located the greatest number of principal secretariats (headquarters, main office) of international organizations of clusters I, II, III and IV. A distinction is made between intergovernmental (IGO) and non-governmental (NGO) organizations. Only principal secretariats are included in this table. The organization types allocated to each cluster are as follows:

- Cluster I (International organizations): Types A B C D F
- Cluster II (Dependent organizations): Types E K R
- Cluster III (Organizational substitutes): Types S T
- Cluster IV (National organizations): Types G N
- Cluster V (Dead, inactive and unconfirmed bodies): Types H J U (*not included in this table*)

Countries in which, in 2005, are located at least 20 principal secretariats are listed alphabetically by name within continental grouping. Countries in which, in 2005, are located less than 20 principal secretariats are counted together, per continent, under the heading "other".

See the Appendix "Types of organization" for more information.
