

Figure 2.1.8. (b) Geographic distribution Countries hosting the greatest number of intergovernmental organization headquarters: 2006

This table lists those countries in which are located at least 1 principal secretariat (headquarters, main office) of an intergovernmental organization of types A to D in this edition of the Yearbook series. Only principal secretariats of intergovernmental organizations are included in this table. Data are sorted by "Total A-D" in descending order.

Totals are given by cluster of types. The organization types allocated to each cluster are as follows:

- Cluster I (International organizations): Types A B C D F
- Cluster II (Dependent organizations): Types E K R
- Cluster III (Organizational substitutes): Types S T
- Cluster IV (National organizations): Types G N
- Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For totals of only non-governmental organizations, see Figure 2.1.8. (c). For totals of both intergovernmental and non-governmental organizations, see Figure 2.1.8. (a). For a detailed analysis per country and per organization type, see Figure 2.1.7.

See the Appendix "Types of organization" for more information.
