## Location of intergovernmental organization (IGO) secretariats: 2007

These tables provide an overview of intergovernmental organizations (IGOs), of different types, with secretariats in a given continent.

The organization types are grouped within clusters\* (as introduced in Figure 0.1). The summary is by type and continent, also distinguishing between principal secretariats (headquarters, main office) and secondary secretariats (regional, specialized office).

For example, there are 54 IGOs classified as conventional international bodies (types A-D) that are headquartered in Africa; there are 28 IGOs in Cluster I with secretariats (principal and/or secondary) in the Australasia / Oceania region.

Refer to Figure 0.2.5. (b) and 0.2.7. for similar breakdowns of all organizations and nongovernmental organizations (NGOs), respectively, and Figure 0.2.5. (a) for a breakdown of all organizations by IGO and NGO. See Figures 2.1.7. to 2.1.11. (a) for more details on secretariat locations.

For information on organization types in the *Yearbook of International Organizations*, see Appendix "Types of organization".
