

**Figure 2.1.12. Geographic distribution
International organizations by region of activity: 2007**

This table lists, for the different continents, regions and other groupings, the total number of organizations listed in this Yearbook series which are preoccupied with that grouping. An organization's preoccupation with or involvement in a particular region is determined on the basis of either its title or keywords in its "Aims" paragraph. See the Appendix "Contents of organization descriptions" for further information on that paragraph.

For each grouping, the first line of totals indicates the number of intergovernmental organizations involved in that region or group; the second line indicates the number of non-governmental organizations involved in that region or group; the third line indicates the total number of organizations, both intergovernmental or non-governmental, involved in that region or group.

The organizations are totalled by type, indicated by the letter code at the head of each column. In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F
Cluster II (Dependent organizations): Types E K R
Cluster III (Organizational substitutes): Types S T
Cluster IV (National organizations): Types G N
Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

See the Appendix "Types of organization" for more information.
