

**Figure 2.1.17. (a and b) Geographic distribution
International meetings – number of meetings versus GNI: 2008**

(a) Countries hosting the most international meetings in relation to their gross national income (GNI). Countries with fewer than 5 meetings for 2008 and/or less than 1 meetings per \$US thousand million of GNI (2008) are excluded.

(b) Scatter distribution of countries hosting the most international meetings per capita GNI. Countries with fewer than 100 meetings and/or less than US\$ 500 per capita GNI are excluded. See Figure 2.1.13. for criteria for meetings considered in the sample.
