

**Figure 2.1.8. (a) Geographic distribution
Countries hosting the greatest number of international organization headquarters: 2008**

This table lists those countries in which are located 10 or more principal secretariats (headquarters, main office) of international organizations of types A to D in this edition of the Yearbook series. Only principal secretariats are included in this table. Data are sorted by "Total A-D" in descending order.

Totals are given by cluster of types. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F
Cluster II (Dependent organizations): Types E K R
Cluster III (Organizational substitutes): Types S T
Cluster IV (National organizations): Types G N
Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For breakdowns by intergovernmental/non-governmental organizations, see Figures 2.1.8. (b) and 2.1.8. (c). For a detailed analysis per country and per organization type, see Figure 2.1.7.

See the Appendix "Types of organization" for more information.
