

## Figure 2.1.9. (a,b,c,d,e) Geographic distribution Countries hosting the greatest number of international organization headquarters, by continent: 2008

The following tables list the first 5 countries per continental grouping in which are located the greatest number of principal secretariats (headquarters, main offices) of international organizations of Types A to D in this edition of the Yearbook series. Only principal secretariats are included in this table. Data are sorted by "Total A-D" in descending order.

Totals are given by cluster of types. The organization types allocated to each cluster are as follows:

- Cluster I (International organizations): Types A B C D F
- Cluster II (Dependent organizations): Types E K R
- Cluster III (Organizational substitutes): Types S T
- Cluster IV (National organizations): Types G N
- Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per country and per organization type, see Figure 2.1.7.

See the Appendix "Types of organization" for more information.
