

Figure 4.1.4. (b) Subjects
Areas of concern of leading people in international organizations, by regions: 2008

This figure, reproduced from Volume 6 (2008-09), lists detailed region/subject categories derived from the index by area of concern. For each category the total is given of the number of biographees whose involvement in international organizations (i.e. those listed in the paragraph "Organizations (Yearbook)") indicates a concern with that field.

For more information, see the introductory notes to figure 4.1.4 (a).
