

Figure 5.1.1. Organizations: population
Foundation dates of international organizations, by type: 2008

The total number of organizations founded in a specified year is given here in terms of organization type (see the Appendix "Types of organization"). For each year, intergovernmental organization totals are given on the first line ("IGO"), and non-governmental organization totals are given on the second line ("NGO"). Totals by cluster and for the whole (see notes of Table 1.1.1b) are given at the end of each line. If an organization's foundation date is not known to the editors, that organization is not included in this table. The total number of organizations included is given on the last line of the table.

Note that, especially for recent years, figures are provisional, according to the information available at the time of printing.

YEAR		Types of organization															Totals by cluster					Total
