

Figure 3.3.
Country participation in intergovernmental organizations by numerical ranking
Edition 47, 2010/2011 (data collected in 2009)

This table lists countries in descending order of the number of intergovernmental organizations of Types A to D in this edition of the Yearbook series of which a country or territory is a member, whether directly or through the presence of members in that country. See 1.2. "Geographical names" for further information on country names

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per country and per organization type, see Figure 3.1.
