Figure 9.3.1. Ten year review
Top international meeting countries in 1995-2004

This table lists the number of meetings of type A for the years 1995 to 2004 for countries with a total of at least 250 meetings of type A during the period 1995 to 2004.

Countries are listed in alphabetical order.

Meetings counted under the heading "A" are "Meetings of international organizations":

- meetings organized or sponsored by "international organizations", i.e. non-governmental organizations (NGOs) and intergovernmental organizations (IGOs) that are included in the UIA's *Yearbook of International Organizations* (see the Introduction "What is an 'international organization'") and whose details are subject to systematic collection and updates on an annual basis by the UIA

and

- with at least 50 participants, or number of participants unknown.

Caveat: When comparing consecutive years in flux, it should be remembered that both years' totals can be expected to change over time, the latest slightly more rapidly than the older. For the years presented here, the data can be assumed to be now reasonably stable.
