Figure 9.5.2. Future
Top international meeting cities in 2010-2014

This table lists the number of meetings of type A planned for the years 2010 to 2014 for cities with a total of at least 12 meetings of type A planned over the course of these five years.

Cities are listed in alphabetical order.

Meetings counted under the heading "A" are "Meetings of international organizations":

- meetings organized or sponsored by "international organizations", i.e. non-governmental organizations (NGOs) and intergovernmental organizations (IGOs) that are included in the UIA's *Yearbook of International Organizations* (see the Introduction "What is an 'international organization'") and whose details are subject to systematic collection and updates on an annual basis by the UIA

and

- with at least 50 participants, or number of participants unknown.

Caveat: It should be remembered that the number of meetings for future years will change significantly up to five years after the year in question. For obvious reasons, the data in this table should be treated as indicative only.
