

Figure 3.7.
Country participation in international non-governmental organizations, ranked by continent
Edition 48, 2011/2012 (data collected in 2010)

This table lists countries, within continental groupings, in descending order of the number of international non-governmental organizations of Types A to D in this edition of the Yearbook series of which a country or territory is a member, whether directly or through the presence of members in that country. See 1.2. "Geographical names" for further information on country names and continental groupings.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per country and per organization type, see Figure 3.1.
