

Figure 3.14.
Countries in which international organization headquarters are located,
ranked by continent
Edition 49, 2012/2013 (data collected in 2011)

This table lists countries, within continental groupings, in descending order of the number of international organizations (both intergovernmental and non-governmental) of Types A to D in this edition of the Yearbook series with a principal secretariat located in that country or territory. See 1.2. "Geographical names" for further information on country names and continental groupings.

Only principal secretariats are counted.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per country and per organization type, see Figure 3.10.
