

Figure 3.18.
Cities in which international organization headquarters are located,
by numerical ranking
Edition 48, 2011/201 (data collected in 2010)

This table lists cities in descending order of the number of international organization secretariats of Types A to D in this edition of the Yearbook located in that city. Only cities with at least 10 principal secretariats of international organizations classified as Types A to D are included here. See 1.2. "Geographical names" for further information on country names

Both intergovernmental and non-governmental organizations are included here. Only principal secretariats are counted.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per city and per organization type, see Figure 3.17.
