

Figure 8.3.
Citizenship of international organization officers
Edition 49: taken from Edition 48, 2011/2012 (data collected in 2010)

This figure gives the total number of biographees listed under the 138 countries indicated in the index by country of citizenship. Only the 2,030 biographees whose citizenship (or nationality) is known to the editors are included here. Of these 69 are included twice because they have dual citizenship.

Breakdowns are given for male and female biographees; however, because gender is not always known to the editors, the figure given in the column "Total" may be greater than the sum of the columns "Men" and "Women".

This figure also gives the total number of organizations (from Volume 1 of this Yearbook) listed in the entries of these biographees.

It should be noted that the figures in this figure are derived from information provided by the biographees themselves; according to general policy, the editors took people at their word and made no effort to check the accuracy of the claims.

See 1.2. "Geographical names" for further information on country names and continental groupings.
