

Figure 3.11.
Countries in which international organization headquarters are located,
by numerical ranking
Edition 55, 2018/2019 (data collected in 2017)

This table lists countries in descending order of the number of international organization secretariats of Types A to D in this edition of the Yearbook located in that country or territory. See 1.2. "Geographical names" for further information on country names

Both intergovernmental and non-governmental organizations are included here. Only principal secretariats are counted. Only countries with at least 1 organization secretariat of Types A to D are included here.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per country and per organization type, see Figure 3.10.
