

Figure 3.20.
Cities in which non-governmental organization headquarters are located,
by numerical ranking
Edition 55, 2018/2019 (data collected in 2017)

This table lists cities in descending order of the number of international non-governmental organization secretariats of Types A to D in this edition of the Yearbook located in that city. See 1.2. "Geographical names" for further information on country names

Only cities with at least 10 principal secretariats of nongovernmental international organizations classified as Types A to D are included here. Only principal secretariats are included.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per city and per organization type, see Figure 3.17.
