**Number of publications of international organizations**  
*Edition 55, 2018/2019 (data collected in 2017)*

This table gives the number of publications of international organizations. The information in this table is extracted from the organization descriptions included in Volume 1 of this Yearbook. If an organization's description includes no mention of publications, that organization is not counted in this table. For details of international organization publications, see Volume 4 of this Yearbook.

The organizations are totalled by type, indicated by the letter code at the left of each column. See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F  
 Cluster II (Dependent organizations): Types E K R  
 Cluster III (Organizational substitutes): Types S T  
 Cluster IV (National organizations): Types G N
