

## Section 1: Table 9.1.2.(a) Current year Top countries for international association meetings in 2017: Type A

This table is extracted from Table 9.1.1. Please see the Introduction or the introductory notes to Table 9.1.1. for an explanation of the headings "A" and "A+B" and "A+C".

In this table, only the countries with **at least 30 meetings of type A** are included. Details of other countries can be found in Table 9.1.1. The total meetings of all countries, as listed in Table 9.1.1., is used to calculate the percentages.

Countries are listed in descending order of the total number of meetings of type A.

**Caveat: It should be remembered that the number of meetings in the database for the current reporting year will, on average, increase by about 11% over the next year, and by about 34% over the following five years.**
