

Figure 6.5.
Foundation places of international organizations by cluster of types
Edition 56, 2019/2020 (data collected in 2018)

This table indicates the countries in which international organizations have been founded, with an indication of the decade of foundation.

Countries are listed in alphabetical order. Note that the country in which an organization is founded is not necessarily that in which its secretariat is located. See 1.2. "Geographical names" for further information on country names.

Only totals by cluster and for the whole are given here. Breakdowns are given for intergovernmental organizations ("IGO") and for international non-governmental organizations ("NGO"). See 1.3. "Types of organization" for more information on organization types. See 6.1. for details on years.

The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

Note that, especially for recent years, figures are provisional, according to the information available at the time of printing.
