* The data in this report are drawn from the UIA database, the source of the *International Congress Calendar* and the *Yearbook of International Organizations*.
Caveat: The number of meetings in the database for the year just past will, on average, increase by about 11% over the next year, by about 34% over the following five years, and by about 37% over the following seven years.
Definitions of meetings of Type “A”, of Type “B”, and of Type “C” can be found in “Research methodology”.
Countries and cities: see “Research Methodology” regarding geographical names.
