

Figure 3.15.**Countries in which intergovernmental organization headquarters are located, ranked by continent***Edition 58, 2021/2022 (data collected in 2020)*

This table lists countries, within continental groupings, in descending order of the number of intergovernmental organizations of Types A to D in this edition of the Yearbook series with a principal secretariat located in that country or territory. See 1.2. "Geographical names" for further information on country names and continental groupings.

Only principal secretariats are counted. Only countries with at least 1 organization secretariat of Types A to D are included here.

See 1.3. "Types of organization" for more information on organization types.

In addition, totals are given at the end of each row by cluster. The organization types allocated to each cluster are as follows:

Cluster I (International organizations): Types A B C D F

Cluster II (Dependent organizations): Types E K R

Cluster III (Organizational substitutes): Types S T

Cluster IV (National organizations): Types G N

Cluster V (Dead, inactive and unconfirmed bodies): Types H J U

For a detailed analysis per country and per organization type, see Figure 3.10.
