*Edition 58, 2021/2022 (data collected in 2020)*

This table indicates the number of entries (organizations) allocated to each Sustainable Development Goal (SDG). The first column gives the number of organizations known to be working on this goal, the second column gives the organizations assumed to have an interest in this goal, and the third column gives the total number of organizations classified under this goal.

The total number of organizations known to be working on one or more goals is 5,546. The total number of organizations assumed to have an interest in one or more goals is 24,395. Some organizations are counted more than once as they may be known to be working on one goal and be assumed to have an interest in another goal.
