29 Hungary	2,406	1.0	29 Oslo, Norway	1,347	0.6
30 Czech Rep	2,390	1.0	30 Busan, Korea Rep	1,323	0.5

\* The data in this report are drawn from the UIA database, the source of the *International Congress Calendar* and the *Yearbook of International Organizations*.

**Caveat:** The number of meetings in the database for the year just past will, on average, increase by about 11% over the next year, by about 34% over the following five years, and by about 37% over the following seven years.

**Definitions** of meetings of Type A, of Type B, and of Type C can be found in "Research methodology".

**Countries and cities:** see "Research Methodology" regarding geographical names.
